Effective July 1, 2011, the Department of Education requires schools with Gainful Employment programs to disclose certain information about these programs. Information reported are for the period between July 1, 2009 - June 30, 2010. Median loan debt is based on the total amount of Stafford and other loans taken out by students as reported. Data is not provided for those programs that had less than 10 graduates to protect student privacy.
