ATI College is currently seeking families to host international exchange students, ages 18 - 26, who are scheduled to arrive in the U.S. in Summer of 2010. Host families come in all shapes and sizes and include single persons and senior citizens, as well as married couples who are with or without children. Host families are asked to provide the student with room and board, as well as a loving family environment. Students are fully insured, proficient in English and come with their own spending money to cover personal expenses as well as room and board.

This is a wonderful opportunity for you and your family to learn about other countries and cultures without ever leaving your home. For additional details on the ATI College Summer Program, please contact us at (562) 864-0506 or (714) 730-7080. You may also send your questions to lisa@ati.edu for prompt assistance. To request more information, please complete the form below. Thank you!
