Tell us about the quality of school academic advising service and school personal/career counseling service:						
Majority of our students reported satisfied with the quality of student services. Many though expressed they have not exercised career counseling services yet, since they have not completed their program. Students used this commentary section to express their concerns about externship, organization of school, school policy, shortness of appliances in the lounge room, etc.						
Tell us about the quality of student financial support program:						
Majority have expressed satisfied with the financial aid officer's service and financial support received before and during the course of study.						
Preparer's Note:						
Findings are reported to the school executives and it is made available for the students, faculty, and staff members to view online. Next evaluation is scheduled to take place on or about March 2007.
